## Uncovering BRAC–Related Business Opportunities

The current Base Realignment and Closure (BRAC) process translates to billions in Department of Defense contracting opportunities for area businesses that know how to find, capture and perform for these special operations. Attend this event to learn actionable information detailing specific contracting opportunities, what contract vehicles and processes are used, how to locate decision-makers, how to build relationships and improve your chances of winning BRAC contracts. The Director of Contracting from Ft. Myer/Henderson Hall will also be on hand to discuss current contracting opportunities right here in Arlington.
