

## Two signature programs to accelerate business growth.

### KickStart Program<sup>®</sup>

Designed specifically for companies under \$1M in federal revenues who want to see results quickly.

An affordable, results oriented, consulting and marketing process with compelling elevation in reach to Decision Makers including Government Agencies, Teaming Partners, and Primes.

The TargetGov KickStart Program<sup>®</sup> propels your business into the federal market and positions you for success. Specially designed for small businesses who are ready for growth. Your business is unique when it comes to marketing yourself to the federal government. Plan for your success and gain the tools needed to accelerate entry into Federal Contracting throughout the entire United States.
